

Heuther & Partner Porto Cristo Incompetent Crooked Property Agents- Business to AVOID Mallorca Heuther Partner Porto Cristo Estate Agents

This is a warning to all or any Residents selecting a Sales Estate agent to sell a property in Mallorca Spain, this is based on first hand testimonies and factual Real Life occurrence that happened in the sale of a Property in Mallorca. The Facts and evidence is cast iron showing without any doubt the low level lies and scamming tactics in use by this Agents and Staff in the Business. The question is how long have they been acting in this way and just how many others have been victims of the upselling and lies made from the staff employed. The initial dealings were with the English speaking agent a **Mr Charles Westlake-Wood who often lied on many issues** but became the central go between and Featured Liar.

We were set on buying the property and had prepared everything to transfer the deposit on Tuesday as we thought the house and location was wonderful.

On Monday we were informed that the house did not have permits for pool, patio, carport, barbecue and various concrete fixings
